

RATE SCHEDULE FT-1
FIRM TRANSPORTATION SERVICE

1. AVAILABILITY

This rate schedule is available to any party (herein called "Shipper") for the firm transportation of natural gas by Paiute from the Receipt Point(s) on Paiute's system to the Delivery Point(s) on Paiute's system, under the following conditions:

- 1.1 Shipper has made a valid request for firm transportation service and has met the requirements set forth in Section 7 of the General Terms and Conditions of this tariff;
- 1.2 Paiute has determined that it has available capacity to render the requested service without construction of any additional facilities, unless Paiute has agreed in writing either to construct additional facilities or to make any other such investment in order to effectuate service under this Rate Schedule FT-1, by means of a system capacity expansion project or as provided by Section 6 hereof;
- 1.3 Paiute shall not be obligated to allow any taps, add any facilities, or expand the capacity of Paiute's pipeline system in any manner to provide transportation service to Shipper pursuant to this rate schedule;
- 1.4 Shipper and Paiute have executed a Service Agreement in the form contained in this tariff for service under this rate schedule; and
- 1.5 It is the Shipper's responsibility to assure that all facilities installed and owned by Shipper or operated on behalf of Shipper upstream of a receipt point or downstream of a delivery point comply with all applicable governmental regulations and design requirements for their intended use (i.e., pressure, control, etc.).

2. APPLICABILITY AND CHARACTER OF SERVICE

This rate schedule shall apply to gas transported by Paiute for Shipper pursuant to the executed Service Agreement.

- 2.1 The basic transportation service rendered under this rate schedule shall consist of:
 - (a) The receipt by Paiute of Shipper's gas at the Receipt Point(s) in quantities not to exceed Shipper's applicable Reserved Capacity;
