

GENERAL TERMS AND CONDITIONS
(Continued)

25.1 Transportation/Storage Service Request Form (Continued)

If New Service is checked, provide the following requested quantities as applicable:

Daily Reserved Capacity (firm transportation) _____ Dth/day
Daily Quantity (interruptible transportation) _____ Dth/day
LNG Storage Capacity (firm/interruptible storage) _____ Dth

If Amendment of Existing Service is checked, complete the following:

Agreement No. _____
Agreement Date _____

Change in:

	From (Dth)	To (Dth)
_____ Daily Reserved Capacity	_____	_____
_____ Summer Daily Reserved Capacity	_____	_____
_____ Daily Quantity (IT-1 service only)	_____	_____
_____ LNG Storage Capacity	_____	_____

Change in Delivery Point (Addition/Deletion/Quantity or Pressure Change)
_____ Yes _____ No

Other (Specify)

7. Requested Term of Service: Commencement Date _____
Termination Date _____

8. Complete Exhibit A specifying the Receipt and Delivery Points requested, the maximum daily quantity applicable to each Receipt and Delivery Point, the delivery pressure applicable to each Delivery Point, and the name of the pipeline, local distribution company, or other entity that will take possession of the gas from Great Basin Gas Transmission Company at each Delivery Point. In no event should the maximum daily quantity requested for a Delivery Point exceed the delivery capacity at that point. In addition, the sum of Shipper's requested Delivery Point maximum daily quantities must equal Shipper's requested Daily Reserved Capacity. If this request involves an Amendment of an Existing Service, describe on Exhibit A any requested change in Delivery Point (addition, deletion, quantity or pressure change).
