25.1 Transportation/Storage Service Request Form (Continued)

REGULATORY/ "ON BEHALF OF" INFORMATION

9. All service will be provided pursuant to Subpart G of Part 284 of the Federal Energy Regulatory Commission's (FERC) regulations, unless Shipper specifically requests that service be provided pursuant to Subpart B of Part 284 of the FERC's regulations. Subpart B applies to certain services that are being performed on behalf of an intrastate pipeline or a local distribution company. If service is requested pursuant to Subpart B, Shipper will be required to provide certain information and a certification to verify that its requested service qualifies under Subpart B, as set forth in Section 7.3 of the General Terms and Conditions and Section 284.102 of the FERC's regulations.

Does Shipper request service under Subpart B? (Check One): _____ Yes
_____ No

CREDITWORTHINESS

10. Shipper is required to establish creditworthiness according to the provisions of Section 7.4 of the General Terms and Conditions. Paiute is not required to provide service on behalf of any Shipper who fails to demonstrate creditworthiness.

Shipper hereby certifies that it has title or the right to ship the gas delivered to Paiute for transportation and has entered into or will enter into arrangements necessary to assure all upstream and downstream transportation will be in place prior to commencement of service.

Shipper certifies that the information herein is complete and accurate to the best of Shipper's knowledge, information and belief.
