7. PROCEDURES FOR OBTAINING SERVICE (continued)

7.1 Contracting for Firm Transportation and Storage Service:  
(Continued)

- (e) Posting of Available Capacity: All available capacity, and prearranged capacity pursuant to Section 7.1(d), will be posted to Paiute's Internet website. Paiute may post available capacity for more than one bid period during the posting periods described above, if the prior bids are submitted at less than Paiute's maximum tariff rate or the prior bids contain unacceptable contingencies.

Each posting will set forth the following, if applicable:

- (1) Available Reserved Capacity(ies);
  - (2) Receipt Point(s), Delivery Location(s), Delivery Point(s), and the maximum daily quantities available at each such points, along with any applicable transportation pathway limitations;
  - (3) Volume of vaporization and storage capacity rights;
  - (4) Date capacity is available;
  - (5) Date capacity is committed to a prearranged transaction;
  - (6) Bid open and close dates;
  - (7) Term and rate to be paid by prearranged Shipper and all other terms of the prearranged transaction; and
  - (8) Any special or minimum conditions, including bid evaluation criteria.
- (f) Bidding: Bids for available capacity may be submitted to Paiute in writing or via Paiute's Internet website, as specified in Paiute's posting. To constitute a valid bid, the bidder must satisfy all of the conditions set forth in Paiute's posting, as well as the provisions of this Section 7 applicable to requests for firm service. If the bidder is not an existing Shipper on Paiute's system, the bidder must complete and submit to Paiute, at or before the time of submitting its bid, the Transportation/Storage Service Request Form set forth in Section 25.1 of the General Terms and Conditions. The bidder must also satisfy Paiute's
