

GENERAL TERMS AND CONDITIONS  
(Continued)

17. INTERNET WEBSITE (Continued)

17.2 Information to be Posted: (Continued)

- (j) Applicable fuel requirements for transportation and storage services.
- (k) Rate schedules and general terms and conditions for all services, including forms of service agreements.
- (l) Index of Customers including capacity entitlements.
- (m) Any other information required by the Commission from time to time.

17.3 Electronic Communication. Electronic communications between Paiute and Shipper or other parties will be binding and enforceable in the same manner and to the same extent as written communications, and evidence of electronic communications, if introduced on paper, will be admissible to the same extent as other business records originated in written form. Any provisions of this tariff requiring that certain matters between Paiute and Shipper be written or in writing are satisfied by Paiute and Shipper utilizing electronic communications through Paiute's designated Internet website or through other mutually agreed forms of electronic communications.

17.4 Disclaimer:

If any party acquires information from Paiute's Internet website and subsequently reposts the information to any other electronic bulletin board or website or otherwise uses such information in any fashion, Paiute shall not warrant the accuracy or completeness of such information in any subsequent posting or other use, where such subsequent posting or use is inaccurate or otherwise misstates or misuses such information. Users of Paiute's Internet website will be solely responsible for preserving the confidentiality of any passwords or other means of entry to such website that are specifically assigned to them.
