

GENERAL TERMS AND CONDITIONS
 (Continued)

4. OPERATING PROCEDURES (Continued)

4.2 Scheduling of Gas Receipts and Deliveries: (Continued)

Subject to the operational capabilities of Paiute's system on the Gas Day and the provisions of this tariff, Paiute shall schedule for Shipper on the Gas Day the lowest of the quantity (i) nominated by Shipper, (ii) confirmed by the applicable upstream pipeline(s), or (iii) confirmed by the applicable Receiving Party(ies).

(3) The following standard Nomination timeline in Central Clock Time (with Pacific Clock Time in parentheses) shall apply for scheduling of receipts and deliveries [NAESB WGQ 1.3.2(i)-(vi)]:

a. Timely Nomination Cycle (on day prior to gas flow)

Nominations leave control of the Service Requester (SR)	1:00 p.m. (11:00 a.m.)
Nominations are received by the TSP (including from Title Transfer Tracking Service Providers (TTTSPs))	1:15 p.m. (11:15 a.m.)
TSP sends the Quick Response to the SR	1:30 p.m. (11:30 a.m.)
TSP receives completed confirmations from Confirming Parties	4:30 p.m. (2:30 p.m.)
SR and Point Operator receive scheduled quantities from TSP	5:00 p.m. (3:00 p.m.)

Scheduled quantities resulting from Timely Nominations should be effective the start of the next Gas Day.

b. Evening Nomination Cycle (on day prior to gas flow)

Nominations leave control of the SR	6:00 p.m. (4:00 p.m.)
Nominations are received by the TSP (including from TTTSPs)	6:15 p.m. (4:15 p.m.)
TSP sends the Quick Response to the SR	6:30 p.m. (4:30 p.m.)
TSP receives completed confirmations from Confirming Parties	8:30 p.m. (6:30 p.m.)
TSP provides scheduled quantities to affected SR and Point Operator, including bumped parties (notice to bumped parties)	9:00 p.m. (7:00 p.m.)

Scheduled quantities resulting from Evening Nominations should be effective the start of the next Gas Day.
