Delivery of natural gas by Paiute to Shipper shall be at or near the points whose locations, Delivery Pressures, Assumed Atmospheric Pressures, and Maximum Daily Quantities are described on Exhibit A, attached to Restated Transportation Service Agreement (Agreement) No. F50 between Paiute Pipeline Company and Southwest Gas Corporation, as such agreement may be amended. The Maximum Daily Quantity set forth on the Exhibit A of Agreement No. F50 for each Delivery Point shall represent the Maximum Daily Quantity that Shipper is entitled to have delivered in total to each such point under this Agreement and Agreement No. F50. Such quantities are further subject to any footnoted limitations set forth on Exhibit A of Agreement No. F50.

Lateral Capacity Limitations:

Notwithstanding the maximum daily quantities set forth for each of the foregoing Delivery Points, Paiute shall not be obligated to transport for redelivery, and Shipper shall not be entitled hereunder to receive, on any day, for those Delivery Points served by the N/A Lateral ([Describe]), an aggregate quantity of gas under this Agreement [if applicable: and Agreement No. (or Nos.)] exceeding N/A Dth.

Hourly Limitations:

Notwithstanding the maximum daily quantity set forth for the N/A Delivery Point, Paiute shall not be obligated to transport for redelivery at such Delivery Point, and Shipper shall not be entitled hereunder to receive at such Delivery Point, during any hour of the day, a quantity of gas that exceeds N/A Dth.
