

RATE SCHEDULE IT-1
INTERRUPTIBLE TRANSPORTATION SERVICE

1. AVAILABILITY

This rate schedule is available as provided herein to any party (herein called "Shipper") for the interruptible transportation of natural gas by Transporter from the Receipt Point(s) on Transporter's system to the Delivery Point(s) on Transporter's system, under the following conditions:

- 1.1 Shipper has made a valid request for interruptible transportation service and has met the requirements set forth in Section 7 of the General Terms and Conditions of this tariff;
- 1.2 Transporter has determined that it has available capacity to render the requested service without construction of any additional facilities, except as provided by Section 5 hereof, and without impairing deliveries to Transporter's Shippers receiving firm services under other rate schedules of this tariff;
- 1.3 Transporter shall not be obligated to allow any taps, add any facilities, or expand the capacity of Transporter's pipeline system in any manner to provide transportation service to Shipper pursuant to this rate schedule;
- 1.4 Shipper and Transporter have executed a Service Agreement in the form contained in this tariff for service under this rate schedule.

2. APPLICABILITY AND CHARACTER OF SERVICE

This rate schedule shall apply to gas transported by Transporter for Shipper pursuant to the executed Service Agreement.

- 2.1 The basic transportation service rendered under this rate schedule shall consist of:
 - (a) The receipt by Transporter of Shipper's gas at the Receipt Point(s) in quantities not to exceed Shipper's applicable contracted Daily Capacity;
 - (b) The transportation of Shipper's gas through Transporter's system; and
 - (c) The delivery by Transporter at the Delivery Point(s) of the thermally equivalent quantity of Shipper's gas received at the Receipt Point(s), less Gas Used by Great Basin.
