

GENERAL TERMS AND CONDITIONS  
(Continued)

17. INTERNET WEBSITE

17.1 Purpose:

Transporter will provide timely information pertaining to arranging for transportation services, including informing all interested Shippers or potential Shippers about the availability of capacity at Receipt Points, on the mainline, at Delivery Points, and at Delivery Locations, and whether the capacity is available from the pipeline directly or through capacity releasing. Transporter will also maintain and provide access to bidding information pertaining to released capacity and information about the status of requests. Transporter will update and maintain this information on its Internet website at [www.GreatBasinGTC.com](http://www.GreatBasinGTC.com). Persons who wish to utilize the Internet website, to comment on the Internet website, or to make inquiries about the information posted on the Internet website should contact Transporter at the following address to obtain detailed access and log-on information:

Great Basin Gas Transmission Company  
P.O. Box 94197  
Las Vegas, Nevada 89193-4197  
(702) 876-7178

Transporter's Internet website will include the following features:

- (a) The ability for a Shipper to download a file;
- (b) A daily backup of information displayed on the board, which information will be accessible for review for at least three (3) years;
- (c) A periodic purging of information on completed transactions from current files;
- (d) The display of most recent entries ahead of information on completed transactions from current files;
- (e) An on-line help and an on-line search function that permits users to locate all information concerning a specific transaction;
- (f) The procedures for backup, archiving and retrieval will be explained on Transporter's Internet website, and amended as necessary;
